

AUGUST

Pray for:

-  faithful giving from Entrust supporters during what is often a slow financial month; diligence for staff needing to raise funds
-  pastors' family camp, Hungary, Aug. 8-13; for Mark Van Bebber and Monty Taylor, who share multiple responsibilities
-  Emily T., completing her STEP term (gap year internship) this month in Vienna, Austria, joining Entrust staff and partners working with refugees
-  writers' workshop in Colorado Springs, Aug. 17-19, to expand the number of people able to train teams of national writers to create interactive, contextualized curriculum
